Great points Alanna. I've attempted to highlight for CDM below what is a pptx rev. vs. what I'll just speak to (and if I forget, hopefully you'll remind me, if that works)

Thanks

Hi Sean, this looks good.

There may be a first time meeting attendee who lacks background, provided are a couple suggestions:  
Have a map of entire site, pointing out Gasco and Arkema locations. ADD TO PPTX  
Give 1 minute, very basic intro as to why Gasco and Arkema are considered early action sites, then move into the plan for integrating them into the sitewide process. WILL SPEAK TO THIS  
Be sure to define acronyms (EE/CA, CDF) in talking points. WILL SPEAK TO THIS  
As you say below, include contact information. Let people know they can contact EPA if they have any concerns (sometimes misconception that people can't engage with EPA until formal public comment) ADDING CONTACT PAGE/WILL ALSO SPEAK TO THIS  
Are there any actions for the public right now, or is the presentation strictly FYI? STRICTLY FYI, BUT A 'PRIMER' FOR A MORE DETAILED SESSION HOPEFULLY IN THE FALL (?)--WILL SPEAK TO THIS

Sean Sheldrake---07/27/2012 08:36:17 AM---Chip, Kristine, Alanna, Any comments that I can ask CDM to incorporate? Thanks

Thanks

S

Lance, This looks good. Since I'll let you keep the master pptx for now to incorporate other team comments, could you add two slides:

-T4 incorporation (60% design for CDF, remaining slip 3 work, etc.) into the proposed plan

-my contact info slide --just name, email, 206.553.1220 phone, and <http://www.epa.gov/region10/portlandharbor>

Thank you!
